

MInKluWB: Mentoring-based Inclusion in business and economics study programs with regional focus on Western Balkans

Follow-up Seminar at the South East European University 25 - 27 October 2017

Targets of the Follow-up Seminar: After the start of Peer-Mentoring groups and tandems at the start of the winter term 2017, the follow-up seminar intends to support the peer mentors, reflect upon lessons learnt so far, share best practices and accelerate local implementation. Special focus will also be set on the following topics: Assessment formats for mentoring activities and project implementation in the broader context of inclusion strategies.

Preparation: Project leaders at the local universities finish their papers on 'mentoring as apprenticeship' and 'syllabus for mentoring', advise by University of Paderborn will be provided. Implementation of a local web site, where future peer mentors and peer mentees may sign up. Documentation of matching process for mentors and mentees.
